## Change of Garbage Collection Day for Surfsong Drive and Nicklaus Lane

Beginning July 16, all of Surfsong Drive and Nicklaus Lane will begin Monday garbage collection. This change does not affect any other collections for these streets. If you have questions, please call 843-768-9166.

# Watch Wild About Sea Turtles

## Still Kid Friendly

Even though the Town has made restrictions on shovels to protect our beach, Kiawah is still kid-friendly!

In fact, we are even giving out free shovel/pail combos perfect for building sand castles. Stop a beach patrol attendant and get one for the kids in your family!

## Reporting Illegal Feeding of Alligators

Intentionally feeding alligators is not only illegal and unsafe, but it causes alligators to lose their fear of people and readily approach them in search of food. Once this behavior occurs, it creates a potentially dangerous situation and the alligator must be euthanized. Town Code Enforcement Officers are cracking down on the illegal feeding of alligators with fines up to \$465. HELP US by telling guests, friends and neighbors not to feed, entice, or harass an alligator in any way.

Report any illegal feeding to KICA Security (24/7) at 843-768-5566 or Town Hall (8 a.m.-5 p.m) at 843-768-9166. Got questions? [Ask Jim Jordan](#)

## Shredding Day

**August 16 | 10:00 a.m. - 1:00 p.m.**

Bring your documents for shredding to the Municipal Center front parking lot (4475 Betsy Kerrison Parkway) for disposal. Documents may contain staples, but all clips must be removed.

If you have questions, please contact Rusty Lameo at [rlameo@kiawahisland.org](mailto:rlameo@kiawahisland.org)

## Turtle Patrol Update

**Nests Found: 172**

# Nesting Season: May-October

## Remember:

- May 15 thru October 31 all outdoor lighting facing seaward in beach front units must be turned off from 9 p.m. to 8 a.m.
- Flashlights without filters are prohibited on the beach at night including flashlights on phones as well. FREE flashlight lens filters are available at the Municipal Center and the Nature Center.
- If you encounter a nesting female, admire her from a distance. Do not approach her or make loud noises. NEVER interfere with a turtle nest. It's illegal to harm, or in any way interfere with a sea turtle or their eggs.

## CodeRED Emergency Notification System

With hurricane season upon us, it's important that residents are signed up for the Town's emergency notification system CodeRED! CodeRED is used to communicate in emergency situations or critical community alerts such as evacuation notices, boil water notices, tornado warnings, and flash flood notices. Notifications are sent via voice, text and email based on your preferences. You must be registered to receive. [Register here](#)
