As a reminder, Kiawah is home to over 600 alligators that live and travel throughout all of Kiawah's ponds.

**Please remember:**

- \* Never feed, harass or approach an alligator. When people feed alligators, they lose their fear of humans, creating a dangerous situation.
- \* Use extreme caution around ponds, stay away from pond edges, and never swim or wade in island ponds.
- \* Keep pets away from pond edges at all times.

## Municipal Election Filing
