Below is how general & restricted funds are budgeted to be spent in the 2019-2020 fiscal year.
Expenditure Highlights

Below are highlights of expenditures and projects budgeted in the FY 2019-2020.

Solid Waste
- The Town provides various collection types for its residents and continues to provide curbside service free of charge. Expenditures also include garbage collection on the beach, Kestrel Court Recycling Center, and the Beachwalker Drive site.

Public Works
- Engineering project with firm McCormick Taylor to recommend practical approaches to raise the elevation of Kiawah Island Parkway from Mingo Point to Kiawah Island Real Estate Office to accommodate sea level rise, increased tide elevations, and sunny day flooding. Expenditures also include repaving and landscape design services for the Parkway.

Law Enforcement
- Dedicated law enforcement coverage and services contracted with the Charleston County Sheriff’s Office that entails enhanced coverage and four permanently assigned deputies for Kiawah.

Charitable Contributions
- The Town supports a variety of charitable organizations through its Charitable Contribution Fund. The Town allocates up to 30% from the change in the fund balance of the general fund each year, not to exceed $150,000.

Tourism
Distribution of State Accommodation Tax funds back into the community for the advertising and promotion of tourism-related activities and expenditures. Funds for this fiscal year were allocated to:
- Freshfields Village events marketing/advertising
- Kiawah Island Golf Resort events promotion
- Cars on Kiawah event promotion
- 2021 PGA Championship
- Beach Patrol coverage
- Charleston County Sheriff’s Deputy coverage
- Charleston Visitor’s Bureau

Arts & Cultural
The Town strives to enhance the community and provide residents and visitors accessibility of performing arts events within the Town. The 2019/2020 season planner is available at www.kiawahisland.org/events

Beach Management

Beach Monitoring
- Annual beach sand volume survey, report, and recommendations (Coastal Science and Engineering). Mitigation for previous beach restoration projects.

Beach Patrol
- Contracted with Barrier Island Ocean Rescue for the provision of ocean rescue, life safety, first aid services, and code enforcement on the beach.

Environmental

Bobcat GPS Research Project
- Analyzes the habitat needs of bobcats and assists in management and conservation.
- Longest, continuous GPS study on bobcats in the world.

Bird Banding Projects
- Studies on productivity, survivorship, and movements of many bird species that are indicators of the health of the island’s ecosystem.

Alligator Behavior and Safety Studies
- Studies to understand the behavior and movements of alligators to increase awareness and safety across the island. Cooperative projects with KICA, Clemson University, SCDNR, and the Nemours Wildlife Foundation.

Wildlife Surveys and Monitoring
- Variety of wildlife surveys to estimate population size and abundance of many wildlife species to look at population trends over time to better understand how our native wildlife species are adapting to changes on Kiawah.

Environmental Programs
- Funding for educational programs to enhance awareness of Kiawah’s wildlife and reduce negative interactions with wildlife. Programs include the Dolphin Education Project (NOAA NMFS, LMMN), Outdoor Wildlife Lessons in Science (KIGR), Grow Native, Kiawah Conservancy education and outreach programs, Shorebird Stewardship program, and more.
